Section 1. The Union recognizes its responsibility as bargaining agent and agrees to represent all employees in the job classifications as set forth in Appendix "A" of this Agreement.

Section 2. The Union agrees that its members will not solicit membership in the Union or otherwise carry on Union activities during working hours.

Section 3. An accredited representative of the Union shall have access to County departments at reasonable times during regular business hours, (8:00 a.m. - 4:30 p.m., Monday through Friday) to perform Union responsibilities outlined in this Agreement, provided that they obtain prior approval from the Department Head involved or his designated representative. Such approval shall not be unreasonably withheld.

Section 4. An accredited representative of the Union shall present himself to the facility management and will be provided space to conduct business in accordance with Section 3 of this Article. Access shall not be unreasonably denied. An accredited representative shall mean a principal officer of the local Union, or an AFSCME international representative.

Section 5. The Union president or his designated representative may be allowed to absent themselves from work without pay for up to one (1) work day per month in order to attend to Union business provided a forty-eight (48) hour notice is presented in writing by the president or his representative to, and is approved by, the Department Head and the Personnel Officer. Approval shall not be unreasonably denied.

Section 4. Stewards who use time during their regular shift hours for investigating grievances or attending grievance meetings will be paid their regular hourly rate for such time used, up to a maximum of one and one-half (1 1/2) hours per grievance but not to exceed a total of three (3) hours per week. Section 2. New employees shall be added to the seniority list upon the successful completion of their six (6) month probationary period. The probationary period will apply toward seniority.

The Personnel Department will on a quarterly basis provide the AFSCME Local 2468 president with a list of names and classifications of all newly hired employees to be represented by the bargaining unit on a department basis. The Union will keep the lists confidential.

Section 3. An employee's continuous service record shall be broken by voluntary resignation, discharge for just cause, or retirement. An employee's continuous service record shall not be broken by mutually agreeable leaves of absence of less than thirty (30) consecutive calendar days. However, leaves of absence of thirty (30) consecutive calendar days or longer without pay shall be deducted from an employee's continuous service record and seniority.

Section 4. Within two (2) months after the execution of this Agreement, the Department shall post on all bulletin boards a list showing the seniority of each employee in the Department or Division covered by Appendix "A" of this Agreement. A copy of the seniority list shall be furnished to the local Union when it is posted. This will not apply to Departments or Divisions with less than five (5) employees.

Section 5. In case of layoff, if any elected Union Officers are affected by such layoff, they will be allowed to continue to function in their official Union capacity in dealing with the County for a period of ninety (90) days unless other employment has been secured prior to the end of the ninety (90) day period, or unless they are replaced or removed from their elected office by the local Union.

In recognition for an employee's years of service, each employee will be given .75 points for each year of service rounded up to the next full year on each job rating for promotion on a 100 point scale or less. In consideration of promotions, the County will not deduct for any leaves of absence for less than a six month period. In addition, all part time employees will be given full credit. In granting promotions, appropriate consideration will be given to relevant examinations, record of performance, seniority and conduct. Vacancies shall be filled by promotion whenever practical and in the best interest of the service, and preference may be given to employees within the department in which the vacancy occurs.

ARTICLE 17

PROMOTIONS, TRANSFERS AND DEMOTIONS

Section 1. Promotion. A promotion is the filling of a vacancy by the advancement of an employee from a position having a lower pay grade to a position having a higher pay grade.

Section 2. Transfer. A transfer is the movement of an employee from a position of a class to another position of the same class. The transfer may be by a Department Head, if in the same Department, or by both Department Heads and the employee, if between Departments. The rate of pay of an employee who transfers shall remain the same, and the employee shall retain the same eligibility date.

A Department Head may transfer an employee from a position of a class to another position of the same class within his organizational unit. Two (2) Department Heads may transfer an employee from a position of a class to another position in the same class between their respective organizational units upon mutual agreement, including the employee's, and with a report to the Personnel Officer.

The transfer of an employee from a position of a class to a position of another related class of the same pay grade may be made by a Department Head or Department Heads, if two units are involved, subject to the prior approval of the Personnel Officer and only if the classes involved are so related that the experience in, and entrance qualification requirements of one class, are such as to qualify the employee in a reasonable manner for the other class. If the transfer is made between Department Heads, the employee must also consent to the transfer.

Section 3. Demotion. A demotion is moving a status employee to a position having a lower pay grade. A demotion may be voluntary, for lack of work or for cause. A voluntary demotion shall be made by the employee in writing to an existing vacancy. The employee who is demoted for cause or as a result of lack of work in his class may receive notice in writing at least fifteen (15) working days in advance. He may make a reply in writing or request to appeal personally to the Department Head. An employee with status may appeal a demotion for cause to the Personnel Policy Board. The appeal must be filed with the Personnel Officer no later than fifteen (15) days after notice.

Except in the case of a reduction in force, whenever an employee is demoted to a position for which he is qualified, he shall receive the rate of pay in the lower pay grade which is at least a one (1) step decrease in pay. If for cause, the employee may be placed on any step in the range which is requested and approved by the Personnel Officer.

Section 4. Any bargaining unit vacancies not filled by transfers or demotions shall be posted in the County job listing as a vacancy open to all County employees. If no current probationary or status employee is selected, then the position shall be posted to the general public. Positions filled through continuous recruitment will be posted internally and to the general public simultaneously. Any vacancy may be filled by a promotion, transfer or demotion.

ARTICLE 18

LAYOFF AND RECALL

Section 1. When it is determined that a reduction in force is necessary, the County shall notify the Union as soon as possible. The order of layoff shall be by seniority. The employee with the least seniority shall be the first laid off.

Section 2. No full-time status employees shall be laid off as long as there are provisional, part-time, temporary, seasonal, intermittent, emergency, on-call or probationary employees working in the affected classifications.

Section 3. An employee who has received notice of layoff shall have the privilege of bumping an employee in the same class in his Department with less continuous County service. If there are no employees in the same class with less continuous County service, he may move to the next lower classification in the class family in the employee's department.

Section 4. The names of status employees who have been laid off shall be placed on a layoff list, and shall be eligible for recall for a period of one (1) year, and the County shall rehire in the reverse order of layoff. A laid off employee subject to recall who is employed elsewhere shall not be required by the County to report until after the expiration of two (2) weeks from the date of the notice. If such employee is not employed elsewhere, he shall be required to report to work at the beginning of the next pay period following recall. The County shall provide employees subject to recall with written certified notice of recall mailed to their last known address on record in the Personnel Department. Employees on the layoff list shall be responsible for making their current address available to the City-County Personnel Office. The County shall present the Union with the layoff list and any changes as soon as possible.

Section 5. An employee subject to layoff shall be provided with notice of layoff in writing at least fifteen (15) calendar days prior to the layoff.

Section 6. When an employee exercises retreat rights in lieu of layoff, the employee shall be paid at a rate which most nearly approximates his rate of pay immediately prior to the layoff if available in the pay grade. If the employee's rate of pay prior to the layoff is higher than step 6 of the lower pay grade, the employee will be paid at step 6 of the lower pay grade.

Section 7. No new employees shall be hired into a classification in the Department where employees have been laid off from that classification until all employees on layoff status in that Department and classification desiring to return to work have been notified of vacancies.

Section 8. Employees displaced by the elimination of jobs through consolidation (combining of two jobs or more), the installation of new equipment or machinery, the curtailment or replacement of existing facilities or for any other reason, shall be permitted to exercise their seniority rights to bump into another position in their class family in their Department for which they are qualified.

ARTICLE 19

DISCHARGE AND DISCIPLINE

Section 1. Disciplinary action shall consist of written warning, written reprimand, suspension, demotion and dismissal. A Department Head may suspend, demote or dismiss an employee for just cause. Just cause shall be defined as a cause which a reasonable employer, acting in good faith, would regard as good and sufficient reason for the level of discipline issued against the employee for the infraction that led to the disciplinary action, as distinguished from arbitrary whim or caprice. In informing an employee of proposed discipline, the County can refer to the Lancaster County Personnel Rules to set forth the basis for the proposed discipline.

Written warnings may not be grieved or appealed, however, an employee who receives a written warning may make a written rebuttal to be added to the Personnel file. Provisions for disciplinary actions should be limited to those listed above. Other solutions may be obtained through mutual consent by management, the Union and the employee.

At any meeting that may result in disciplinary action, the employee has the right to have legal counsel or a Union steward present. The employee may waive their right to representation under this section in writing. The Union will provide a waiver form for the employee's convenience (see Appendix C).

Management reserves the right to investigate employee conduct, potential violations of rules and/or standards of employment. Whenever a Department Head has information that may be cause for suspension without pay, dismissal or involuntary demotion, as soon as possible the employee shall be entitled to written notice of the charges against him which shall identify the rule or policy violated and include an explanation of the agency's evidence against him. The written notice shall include at least five (5) working days notice of the date, time and place for a pre-disciplinary meeting where the employee will have an opportunity to respond to the charges and present mitigating evidence and/or reasons why disciplinary action should not be taken. The employee shall have the right to be represented by counsel or a union representative at the meeting. The employee may waive their right to representation under this section in writing. The Union will provide a waiver form for the employee's convenience. (See Appendix C.)

After the pre-disciplinary meeting, if disciplinary action is deemed warranted by the Department, the employee will be presented with the disciplinary action in writing within a reasonable time after said disciplinary meeting. The employee will receipt the same without implying agreement or admitting to the infraction. The employee or his/her representative may present a written rebuttal to the final decision which shall be attached to the disciplinary action.

Section 2. A Department Head may reprimand any employee for cause. Such reprimand shall be in writing and addressed and presented to the employee who will initial receipt. The employee may grieve the reprimand directly to the Personnel Officer or his designated representative. The grievance shall be presented within fifteen (15) working days of receipt of the reprimand. The response to the grievance shall be in writing and shall be issued within fifteen (15) working days of receipt of the grievance. The written decision on the

grievance shall be final and binding upon the parties to the grievance. The grievance procedure as outlined in Article 20 shall not apply to this Section. The employee may present a written rebuttal to the final decision regarding the grievance within fifteen (15) working days of date of decision which shall be attached to and become a part of the file pertaining to the grievance. The rebuttal shall be delivered to the Personnel Department and a copy transmitted by the Personnel Department to the Department Head who wrote the reprimand.

Section 3. Written reprimands, written warnings and rebuttals or explanations thereof shall be removed from an employee's personnel file, including such files within a Department, one year after the filing thereof provided there is a written request for removal from the affected employee and further provided there have been no additional disciplinary actions taken against the employee for the same or similar violations.

Suspensions shall be removed from an employee's personnel file, including such files within a Department, five (5) years after the filing thereof provided there is a written request for removal from the affected employee and further provided there have been no additional disciplinary actions taken against the employee for the same or similar violations.

Section 4. A Department Head may suspend an employee without pay for cause for a period or periods not exceeding thirty (30) working days in any twelve (12) months; however, no single suspension shall be for more than fifteen (15) working days, except for the investigative suspension as defined in Section 6 of this Article. The Department Head shall notify the employee concerned and the Personnel Officer in writing no later than one (1) working day after the date of suspension is made effective. Such notice shall include the reasons for and the duration of the suspension. Any status employee who is suspended may appeal for a hearing, in writing, to the Board within fifteen (15) working days of notice of suspension.

Section 5. ARTICLE 20

GRIEVANCE AND APPEAL PROCEDURE

A grievance is hereby defined as any disagreement arising during the term of this Agreement which is expressly limited to matters of interpretation or uniform enforcement of express provisions of this Agreement, the Rules, and any and all conditions of employment. The Union may file a grievance on behalf of any represented employee(s) or the employee(s) may individually file a grievance.

Section 1. Grievances. It shall be the policy of the County to give status employees an opportunity to discuss their grievances with the County in order to find mutually satisfactory solutions as rapidly as possible. The grievance procedure set forth herein is designed to preserve harmony and friendly relations between the County and its employees. Furthermore, the grievance procedure is to provide a just and equitable method for the resolution of grievances without discrimination, coercion, restraint, or reprisal against any employee who may submit or be involved in a grievance. The grievance procedure shall not be used to change any provisions of this Agreement or the Rules, or filed for the purpose of getting an established policy, standard or procedure changed unless it is in conflict with the provisions of this Agreement.

In reducing a grievance to writing, the following information must be stated with reasonable clearness: the exact nature of the grievance, the act or acts of commission or omission, the exact date of the act or acts of commission or omission, the identity of the party or parties who claim to be aggrieved, the identity of the party or parties alleged to have caused the grievance, the specific provisions of this Agreement that are alleged to have been violated, and the remedy which is sought.

For the purposes of this Article, "working days" shall be defined as Monday through Friday, excluding Saturdays, Sundays and holidays.

Grievances shall be processed in the following manner:

Step 1. The aggrieved employee shall present in writing his grievance to his Department Head within fifteen (15) working days from the date on which the employee became aware of or should reasonably have been aware of the incident giving rise to the grievance. The Department Head shall respond in writing to the employee presenting the grievance within fifteen (15) working days.

Step 2. If satisfactory settlement is not reached under Step 1, the employee or his designated representative shall resubmit the grievance in writing within fifteen (15) working days of receipt of the response from the Department Head to the Personnel Officer or his designated representative for submission to the Board. The Board shall hold a hearing with the employee or his designated representative within thirty (30) working days after receipt of the grievance in an attempt to settle the grievance. The decision of the Board concerning a grievance shall be made within fifteen (15) working days of the final hearing and reduced to writing, including both findings and decisions, and it shall be filed with the Personnel Officer with a copy to the Department Head, the subject employee and the Union President.

Decisions of the Board concerning a grievance are binding on all Department Heads and employees in the bargaining unit.

Time limitations as outlined in Step 1 may be extended in writing by mutual agreement between the employee or his designated representative and the Department Head.

Section 2. Appeals. Any status employee may appeal directly to the Board the following actions: Receipt of three (3) written reprimands within a twelve (12) consecutive month period, suspension, demotion for cause, reduction in classification resulting in loss of pay, and dismissal.

The appeal shall be processed in the following manner:

Intent to appeal must be submitted in writing to the Personnel Officer or his designated representative for submission to the Board. The Board shall hold a hearing with the employee or his designated representative within thirty (30) working days after receipt of the appeal. The decision of the Board shall be made within fifteen (15) working days of the final hearing and reduced to writing, including both findings and decisions, and it shall be filed with the Personnel Officer with a copy to the Department Head, the subject employee and the Union President.

ARTICLE 21

HOURS OF WORK

Section 1. For all except "continuous operations" employees the regular hours of work each day shall be consecutive except that they may be interrupted by a lunch hour not to exceed one (1) hour.

Section 2. Work week shall mean the number of hours regularly scheduled to be worked during any seven (7) consecutive days by an individual employee. The work week shall begin at 0001 Thursday and end the following Wednesday at 2359.

Section 3. Generally eight (8) hours shall constitute a work day and forty (40) hours or five (5) days shall constitute a work week for full-time employees. Effort will be made to give full-time employees a five (5) day week and an eight (8) hour day from 8:00 a.m. to 4:30 p.m. with one-half (1/2) hour for lunch. However, it sometimes may be necessary for a full-time employee to work his forty (40) hours in more or less than five (5) days by working more or less than eight (8) hours per day, or those working eight (8) hours per day may be required to start the day some other time than 8:00 a.m. and complete the day some other time than 4:30 p.m.

For purposes of scheduling only, eight (8) hours or ten (10) hours per day shall constitute a work day for full-time shift employees and forty (40) hours including Saturday, Sunday, and holidays shall constitute a work week for full-time shift employees. The hours worked per day and the days worked per week shall be consecutive as nearly as possible. Shift schedules shall be posted two (2) weeks in advance.

Section 4. Lancaster Manor Employees Only - Generally eight (8) hours shall constitute a work day and eighty (80) hours or fourteen (14) days including Saturday, Sunday and holidays shall constitute a work cycle as authorized in the Fair Labor Standards Act (29 U.S.C. 207(j)). For the purposes of scheduling only eight (8) hours per day shall constitute a work day for full-time shift employees. The hours per day and days per week shall be consecutive as nearly as possible. The provisions of this paragraph shall expire at the end of the 2004-2005 contract year and shall not apply to the contract thereafter.

Section 5. Shift assignments will be granted according to work needs and, when possible, employee preference.

Section 6. No employee's work schedule will be changed without at least two (2) weeks' notice unless an emergency exists. Temporary work schedule changes shall not be made for the purpose of avoiding overtime.

Section 7. Work schedules showing the employee's shifts, work days, and hours shall be posted on all department bulletin boards at all times.

Section 8. Employees engaged in continuous operations are defined as being any employee or group of employees engaged in an operation for which there is regularly scheduled employment for twenty-four (24) hours a day, seven (7) days a week.

Section 9. All employees' work schedules shall provide for a fifteen (15) minute rest period during each one-half (1/2) shift. The rest period shall be scheduled at the approximate middle of each one-half (1/2) shift.

Employees who for any reason work beyond their regular quitting time into the next shift shall be granted the regular rest periods that occur during the shift.

Section 10. All except "continuous operations" employees shall be granted a lunch period during each work shift. Whenever possible, the lunch period shall be scheduled at the middle of the shift.

ARTICLE 22

OVERTIME

Section 1. a. General Employees - Work performed by employees in excess of forty (40) hours in any work week shall be compensated at the rate of one and one-half (1 1/2) times the regular hourly rate of the employee.

b. Lancaster Manor Employees Only - (29 U.S.C. 207 (j)) Work performed by Lancaster Manor employees in excess of eight (8) hours per day or eighty (80) hours in the fourteen (14) day work cycle shall be compensated at the rate of one and one-half (1 1/2) times the regular rate of the employee. The provisions of this paragraph shall expire at the end of the 2004-2005 contract year and shall not apply to the contract thereafter.

Section 2. No overtime work or compensation will be allowed without prior approval by the Department Head or his designee.

Section 3. All paid leaves of absence shall be counted as hours worked in computing overtime with the exception of sick leave which will not count as hours worked for the purpose of computing weekly overtime.

The above paragraph does not apply to call-back, call-in, stand-by, or emergency situations.

If an employee is called to duty during his off-duty time, and such time does not merge with his scheduled tour of duty, such employee shall be paid for a minimum of two (2) hours at the rate of time and one-half (1 1/2) or one and one-half (1 1/2) times the actual number of hours worked, whichever is greater.

Section 4. In lieu of payment for overtime hours worked, the employee may request to take compensatory time off. Approval shall be at the discretion of the Department Head. If the request is approved by the Department Head, one and one-half (1 1/2) hours of compensatory time shall be credited for each overtime hour worked. A maximum accrual of compensatory time shall be twenty (20) hours.

Section 5. All 24-hour facilities - An overtime sign-up sheet will be posted quarterly.

Section 6. Lancaster Manor - An overtime sign-up sheet will be posted quarterly (September 1, December 1, March 1, June 1) for five (5) calendar days for employees to sign indicating a desire to work overtime. Upon completion of the sign-up, employees will be listed in order of total County seniority. An employee may elect to have his name added to the sign-up list upon completion of thirty (30) days employment. Seniority, however, will determine the position of the employee on the sign-up list.

As an overtime requirement is developed, the most senior employee on the sign-up list will be offered overtime provided that the employee possesses the skills and abilities necessary to perform the duties of the job. If the employee declines the offer, overtime will be offered to the second most senior employee. Assuming that the second most senior employee accepts the overtime, and a new overtime requirement is developed, the most senior employee will be offered overtime. If the offer is again declined, the third most senior employee will be

offered overtime. The procedure repeats itself as the supervisor works through the list on the basis of seniority. Each employee on the list is thus insured an opportunity to work overtime.

When the list has been exhausted and no employee has accepted the offer of overtime, the seniority list will be called starting with the least senior employee. Overtime then becomes mandatory for the first employee contacted. If the employee refuses to work overtime, the next employee contacted will be directed to work overtime. The supervisor will work the seniority list in reverse order until the overtime requirement is satisfied. In the event a new overtime requirement is developed and the sign-up list is exhausted, the supervisor will contact the employee on the seniority list whose name is directly above the individual who satisfied the previous overtime requirement. The person so contacted will be directed to work overtime. The procedure repeats itself as the supervisor works through the seniority list.

To preclude an employee from continuously refusing to work mandatory overtime, three (3) instances of refusal within a six (6) month period will result in the issuance of a letter of reprimand. The six (6) month period begins with the posting of the September 1, 1990, sign-up sheet. At the end of six (6) months, the employee's record as to refusals to work overtime will be destroyed. This, however, does not apply to the letter of reprimand which has become a part of the employee's official personnel file. A new record of employee refusals will then be established concurrent with the posting of the March 1 sign-up sheet.

The above criteria will apply only when overtime is available in blocks of four (4) hours or more and will not apply to extensions of duty shifts.

ARTICLE 23

HOLIDAYS AND VACATION

Section 1. Compensation for Absence on Holidays. All holidays shall not exceed eight (8) hours in duration. The following shall be considered legal holidays:

New Year's Day	Labor Day
Martin Luther King Jr.'s Day	Veterans Day
Presidents' Day	Thanksgiving Day
Memorial Day	Day After Thanksgiving
Fourth of July	Christmas Day

In addition, the County will provide three (3) noncumulative personal holidays to all eligible employees. The personal holidays may be taken at any time during the contract year provided the day selected by the employee has the prior approval of the Department Head.

In lieu of all holidays identified in Section 1, part-time shift employees and part-time employees of facilities open seven (7) days a week shall earn legal and personal holidays at the rate of 0.05 per hour worked, which shall be added to the holiday bank each pay period. Holiday bank hours must be taken as scheduled leave time as approved by the Department Head and under no circumstances will holiday bank hours be compensated with pay. All holiday bank hours must be taken during the contract year or be forfeited. Holiday bank time in lieu of named legal holidays identified in Section 1 may be taken prior to the date of the legal holiday if approved by the Department Head; however, if the employee separates service from the County prior to the date of the legal holiday(s) and has been granted paid unearned time off, the County will deduct paid time in lieu of unearned time off from the employee's final pay.

Employees who are scheduled to work and who actually work on a legal holiday, and who work in a seven day a week or twenty-four hour a day operation, shall be paid one and one-half (1 1/2) times the hourly rate for such hours worked in addition to holiday pay.

Section 2. Compensation for Holiday Falling on a Regularly Scheduled Day Off.

Except for employees regularly scheduled to work on a shift basis, when a holiday listed in Section 1 of this Article falls on a Saturday, the preceding Friday shall be observed as the legal holiday and when the legal holiday falls on Sunday, the following Monday shall be observed as the legal holiday.

For employees who are regularly scheduled to work on a shift basis, the holiday will be observed as follows: January 1, July 4, November 11, and December 25. All other holidays will be the same as observed by the rest of the County employees.

Section 3. Compensation for Work Performed on Holidays. Any non-shift employee who is eligible for holiday pay and who shall be required to perform work or to render services on one of the holidays listed in Section 1 of this Article shall receive pay at time and one-half (1 1/2) for hours worked. The employee shall have the option of requesting equivalent time off with the permission of the Department Head.

Section 4. Qualification for Holiday Pay. In order to qualify for holiday pay, an employee must be in a pay status on the regular work days immediately before and after the holiday.

Any holiday listed in Section 1 of this Article falling within a vacation period shall not be considered working days in determining a vacation period.

Section 5. Vacation Leave. Employees shall earn vacation leave with pay according to the following schedule:

- A. Less than five (5) years of service -- At the factored hourly equivalent of eighty (80) hours per year.
- B. After five (5) years of service -- At the factored hourly equivalent of one hundred twenty (120) hours per year.
- C. After ten (10) years of service -- At the factored hourly equivalent of one hundred fifty-two (152) hours per year.
- D. After fifteen (15) years of service -- At the factored hourly equivalent of one hundred sixty-eight (168) hours per year.
- E. After twenty (20) years of service -- At the factored hourly equivalent of one hundred eighty-four (184) hours per year.

Vacation leave shall be earned but not granted during the first six (6) months of employment.

It shall be at the discretion of supervisory personnel to grant vacation leave without prior request/approval. The supervisors may request proof of circumstances beyond control. Without adequate proof of circumstances, employee may be put on leave without pay. Such vacation leave shall not be unreasonably denied.

Accumulation of vacation leave credit shall be on a continuous basis not to exceed two hundred forty (240) hours. Unused vacation accumulation shall be paid upon termination of employment.

Each Department Head shall schedule vacation leaves to accord with operating requirements and, insofar as possible, to coincide with the request of the employee. For those positions which regularly require financial transactions and/or the handling of money in the performance of the job, the Department Head may require that the employee use at least one forty (40) hour block of vacation per year.

Vacation leave shall not accrue during any period of absence without pay or without leave.

When an employee at Lancaster Manor or the Youth Services Center requests vacation in blocks of sixteen (16) hours or more, at least two (2) weeks in advance, and it is approved by the Department Head, the employee is not responsible for finding his replacement.

ARTICLE 24

SICK LEAVE AND INJURY LEAVE

Section 1. Sick Leave.

- A. Sick Leave shall be earned at the factored hourly equivalent of four (4) hours per pay period of service. Accumulation of sick leave credit shall not exceed one thousand nine hundred seventy-six (1976) hours at any one time. Disability retirement shall not be effective until accumulated sick leave has been used. Upon retirement or death the employee shall receive fifty-five percent (55%) of accumulated sick leave (distributed into the employee's PEHP account). The payment will be at the regular hourly rate of the employee at the time of retirement. No refund of vacation shall be allowed due to illness incurred while on vacation leave.
- B. An employee eligible for sick leave with pay may use such sick leave for absence due to sickness, family illness, personal and family medical appointments, disability, non-work related injury, exposure to contagious disease or funeral leave as outlined in this article and for no other purpose. An employee who uses sick leave for any other purpose may be subject to discipline.
- C. An employee may use up to forty (40) hours per calendar year from his sick leave balance for illness in the immediate family or family medical appointments. - D. At the employee's discretion, he/she may supplement their Worker's Compensation payment to bring the total sum of the Worker's Compensation payment and sick leave to a figure equivalent to a full pay check.
- E. An employee who is absent because of sickness shall inform his immediate supervisor of the fact and the reason therefore as soon as possible; failure to do so within a reasonable time may be cause for denial of pay for the period of absence. The Department Head may require a doctor's certificate or other evidence of illness before approving sick leave with pay; such certificates shall be transmitted to the Personnel Officer with the report of sick leave for entry in the employee's records.
- F. Sick leave may be denied when the County has facts showing that an employee is abusing sick leave.
- G. Once an employee has exhausted Sick Leave the County shall automatically deduct as necessary from any available paid leaves.
- H. It is mutually agreed that it is the responsibility of the Union and the County to monitor sick leave usage. When either party feels that an employee is excessively using or abusing sick leave, that party shall notify

the other. It shall then become the responsibility of the Union to counsel that employee in an effort to avoid possible disciplinary action.

- I. Disability retirement shall not be effective until accumulated sick leave has been used. Upon retirement or death the employee shall receive fifty-five percent (55%) of accumulated sick leave into the employee's PEHP account.
- J. The County agrees to pay an employee who voluntarily separates from employment after fifteen (15) consecutive years of service with Lancaster County fifty percent (50%) of their sick leave balance which is greater than 1000 hours. The hours will be based on their current eight (8) hours of pay. This pay out shall be distributed as one-third (1/3) cash and two-thirds (2/3) PEHP.
- K. Any employee who is laid off, and is later recalled within one (1) year, shall have available upon his return such unused sick leave accrual as he may have earned up to the time of his departure.
- L. The Union and County agree to comply with the rules and regulations of the Family and Medical Leave Act of 1993 and the County's policy governing the application of the Act.

Section 2. Sick Leave Incentive. For employees at the Youth Services Center there shall be established a sick leave incentive. When the average sick leave used at the Youth Services Center is less than 56 hours per person (exclusive of pregnancy leaves or extended illness/injury leaves greater than 30 consecutive work days), then each employee who used less than or equal to 56 hours shall receive \$400 in sick leave incentive pay. Employees whose sick leave usage is greater than 56 hours shall receive \$200 in sick leave incentive pay. The program will begin with the first pay period of the calendar year in 2005 and end the last pay period of that year. Any payment earned will be made the first pay check in February. This program may be extended based on mutual agreement between the Union and County. The County shall notify the Union in February of each year regarding extending the program. For purposes of the sick leave incentive, all employees will include those represented by AFSCME and employees who are considered Unrepresented.

Section 3. Injury Leave. Any employee who is injured in the performance of his duties shall receive the difference between his regular pay and the Worker's Compensation payment for a period not to exceed ten (10) calendar days. Failure to immediately report an accident which may result in injury may cause forfeiture of the additional benefit.

Such injury leave shall not be deducted from vacation or sick leave credits.

The County will provide a long term disability policy in order to provide some relief from lost wages due to sickness, injury or disability.

Grandfather, grandmother and grandchild will include "great" grandfathers, grandmothers and grandchildren. A full-time employee shall be allowed twenty-four (24) hours funeral leave with regular pay to attend the funeral without deduction from his pay or accumulated sick leave. The part-time employee shall be allowed two-fifths ($2/5$) of the hours in his normally scheduled work week if scheduled to work the hours requested.

ARTICLE 26

OTHER LEAVES

Section 1. Leave for Jury Duty. Any employee called to serve jury duty shall receive his regular pay in addition to the compensation received for ten (10) working days of jury service. For jury service exceeding ten (10) work days during one (1) jury term, the employee shall receive the difference between his regular pay and the compensation received for such jury service.

Section 2. Military Leave. All employees who shall be members of the National Guard, Army Reserve, Naval Reserve, Marine Corps Reserve, Air Force Reserve, and Coast Guard Reserve, shall be entitled to leave of absence from their respective duties, without loss of pay, on all days during which they are employed with or without pay under the orders or authorization of competent authority in the active service of the State of Nebraska or of the United States, but not to exceed fifteen (15) work days in any one (1) calendar year. Such leave of absence shall be in addition to the regular annual leave of the persons named herein. When the Governor of the State of Nebraska shall declare that a state of emergency exists, and any of the persons named in this section are ordered to active service of the State of Nebraska, an additional leave of absence will be granted until such member is released from active service by competent authority. During the additional leave of absence because of the call of the Governor, any official or employee subject to the provisions of this section shall receive such portion of his salary or compensation as will equal the loss he may suffer while in active service of the State. Governmental officers serving a term of office shall receive their compensation as provided by law. No employee shall be treated any differently than as outlined in Federal statutes addressing military leave.

Section 3. Special Leave. In addition to leaves authorized above, a Department Head may authorize an employee to be absent without pay for personal reasons for a period or periods not to exceed thirty (30) working days in any calendar year, provided he has used all accumulated vacation leave. The Personnel Officer must approve any leaves in excess of thirty (30) calendar days. All requests for leave of absence must be made in writing.

A Department Head, with approval of the Personnel Officer, may grant such employee leave of absence without pay for a period not to exceed one (1) year for travel or study which will render the employee of greater value to the County upon his return to duty. Such leave shall be granted only when it will not result in undue prejudice to the interests of the County as an employer beyond any benefits to be realized. No leave without pay shall be granted except upon written request of the employee. No such leave shall be granted primarily in the interests of the employee except in the case of one who has shown by his record of service or by other evidence to be of more than average value to the County, and whose service it is desirable to retain even at such sacrifice. Failure on the part of an employee on leave to report promptly at its expiration, without good cause, shall be considered as a resignation.

Leave with pay for public health or safety duties of an emergency nature may be authorized by the Department Head upon approval of the Personnel Officer. Such leave will not be deducted from vacation or sick leave.

Section 4. Pregnancy and Parental Leave. A pregnant employee shall request in writing and with a physician's certificate that leave be granted at any time during the period of pregnancy and the period immediately following the birth.

This leave may be with pay if the employee has sufficient accrued sick leave and/or vacation leave to be allocated as per the employee's directions. Otherwise, the leave will be without pay. It is the responsibility of the employee to obtain a doctor's statement within four (4) weeks following the birth which certifies the date the employee is physically able to return to work.

Parental leave for bonding after the birth or adoption of a child may be granted pursuant to the provisions of the Family and Medical Leave Act of 1993.

Section 5. Leave of Absence Without Pay to Accept Appointment in the Unclassified Service. An employee may be granted leave without pay from his status position to accept appointment to a position in the unclassified service. The employee may return to a comparable position for which he has status at any time and shall be entitled to receive the rate of salary of the previously held classified position he would have received had he not left to serve in the unclassified position. In the event the rate paid in the position to which he was returned is below the top rate of the grade, he shall be entitled to advance in accordance with Rule 19.9 without change in anniversary date.

Section 6. Absence Without Leave. Any unauthorized absence of an employee from duty shall be deemed to be an absence without pay and may be made grounds for disciplinary action by the Department Head. In the absence of such disciplinary action, any employee who absents himself for three (3) or more days without authorized leave shall be deemed to have resigned. Such absence may be excused, however, by the Department Head by a subsequent grant of leave with or without pay where extenuating circumstances are found to have existed.

Section 7. Leaves of Absence. All leaves of absence must be requested in writing to and approved by the Department Head in advance of leave being taken. Exceptions may be made in an emergency.

ARTICLE 27

Part-time employees shall receive longevity pay based upon the total hours worked in each pay cycle.

COMPLETED YEARS OF SERVICE	ANNUAL PAY	HOURLY PAY
5 Years (Beginning 6th Year)	\$ 245.44	\$.118
10 Years (Beginning 11th Year)	\$ 386.88	\$.186
15 Years (Beginning 16th Year)	\$ 640.64	\$.308
20 Years (Beginning 21st Year)	\$ 900.64	\$.433
25 Years (Beginning 26th Year)	\$1,000.48	\$.481

There shall be no retroactivity or accumulative building on top of the previous longevity rate.

Section 5. Retirement: The County will provide a retirement plan as outlined in the following manner:

Effective January 1, 1996, and each year thereafter, each status employee who is eligible to make contributions to the retirement plan will contribute five and two-tenths percent (5.2%) of his wages and the County will match with one hundred fifty percent (1.5) times the employee contribution.

The adoption of this section is contingent upon the favorable letter of determination by the United States Internal Revenue Service, which will continue the pre-tax status. A non-favorable opinion will void this section.

Section 6. All employees who are regularly assigned to second and third shifts shall be paid an additional twenty-three (23) cents per hour. The differential pay per hour shall be included as an addition to their current hourly rate.

Lancaster Manor Only: Employees of Lancaster Manor who actually work on Saturday and/or Sunday will receive an additional seventy-five (75) cents per hour. Both shift and weekend differential pay per hour shall be included as part of the employee's current hourly rate.

Lancaster Manor Only: All employees who are regularly assigned to second and third shifts shall be paid an additional forty-five (45) cents per hour. The differential pay per hour shall be included as an addition to their current hourly rate, and any other hourly amount for which they may qualify under this section.

For purposes of this Section 6, the following conditions shall apply:

- A. To be entitled to shift differential pay, an employee must work a majority of his regularly scheduled shift hours between 5:00 p.m. and 9:00 a.m.
- B. For purposes of computing any shift differential pay, "current hourly rate" shall mean the regular hourly rate set forth in Appendix "A", attached to this Agreement.
- C. An employee whose regularly scheduled shift entitles him to shift differential pay shall receive the shift differential pay as a part of his current hourly rate for leaves of absence including vacation, sick leave, holiday pay and funeral leave.
- D. For purpose of computing overtime pay, an employee shall receive his current hourly rate in addition to the corresponding differential pay.

Section 7. An employee will be paid at their regular rate of pay to take the initial Commercial Drivers License examination one time (each of the three phases). Time off with pay for repeat examination will be at the Department Head's discretion. The County will reimburse an employee the difference in cost between a regular drivers license and a Commercial Drivers License, when the employee's position requires a Commercial Drivers License, and only when that license is renewed.

Section 8. Post Employment Health Program (PEHP). The PEHP will be considered by both parties as part of the total compensation for computation of wages and benefits. Beginning with this Agreement, the County will contribute for each

eligible employee the amount of \$0.00 per pay period. If any contribution is an amount other than an equal dollar amount per eligible employee, that contribution will be deposited in the eligible employee's Premium Payor Account, otherwise the equal contribution per eligible employee will be deposited in the eligible employee's Universal Payor Account pursuant to the terms and conditions of the PEHP Plan.

Section 9. The County shall enclose any payroll check in an envelope in the event the check isn't personally delivered to the employee.

ARTICLE 29

TEMPORARY ASSIGNMENT TO A HIGHER CLASSIFICATION

Temporary assignment out of class shall mean assignment to an out of class position which is temporarily vacant due to termination, resignation, leave of absence, or initial creation. In the event an employee is directed by management personnel to engage in work having substantially similar duties and responsibilities as those of another permanent position (classification) with a higher maximum salary (out of class work), that employee shall receive at least a step increase in pay during the period he is so engaged in that activity, provided the following is accomplished:

- A. The employee obtains written authorization to engage in the out of class work either prior to commencement of that activity or within twenty-four (24) hours of the commencement of the out of class work;
- B. The employee is authorized to perform the full range of duties of the out of class work, even though he may not actually perform the full range of duties during the term of that activity; and
- C. The employee must perform the out of class work eight (8) or more consecutive hours before being eligible for out of class pay. The employee shall then be compensated for the original eight (8) consecutive hours worked plus any additional consecutive hours he is engaged in the out of class work.

In the event an employee is performing out of class work and requests and receives approval for paid leave, such paid leave shall be compensated at the employee's rate of pay prior to the assignment of the out of class work.

Examples of out of class pay are for demonstrative purposes, and are not inclusive of all instances when out of class pay may be paid to an employee.

Examples of out of class pay might include an employee working four (4) hours out of class at the end of a shift, returning to work the next day and working an additional four (4) hours out of class. In this example, the employee would be paid out of class pay for the eight (8) consecutive hours of work.

In another scenario, an employee may be assigned to perform out of class work for an eight (8) hour work day. The beginning of the following work day the employee is assigned and performs two (2) hours of out of class work resulting in ten (10) consecutive hours of out of class work. The employee would be paid ten (10) hours of out of class pay in this example.

Exceptions to this Article for receipt of out of class pay may be made or approved by the Personnel Director.

ARTICLE 30

All retired members of the bargaining unit may participate in the Group Health Insurance program for active County employees until age sixty-five (65), provided that each retiree so desiring will execute the required forms in a timely fashion, and further provided that each retiree will be required to pay the full monthly premium at the then current rates subject to any rate increases which may occur from time to time. Such payments will be made by the retiree to the insurance carrier.

Section 2. Dental Insurance. The County agrees to provide a comprehensive dental program. The County will pay seventy-five percent (75%) of the monthly premium for Dental Insurance. The employee will pay the remaining twenty-five percent (25%) of the premium. This applies to the single, 2/4 party and family plans.

Section 3. Life Insurance. The County will pay the full premium on \$30,000 group term life insurance coverage for the employee upon adoption of the addendum to the present Guaranteed Mutual Life Insurance contract. Additional coverage and dependent coverage may be purchased and the employee will pay one hundred percent (100%) of the monthly premium.

ARTICLE 31

An employee whose eyeglasses are broken in the performance of duty shall submit a written report before the end of his duty shift explaining what caused said glasses to break. The County shall provide safety lens as replacement lens. Replacement frame cost shall not exceed one hundred fifty dollars (\$150). Repair or replacement of frames shall be determined by the County.

ARTICLE 32

RETENTION OF BENEFITS

Any and all current privileges and benefits enjoyed by the employees prior to the date of this Agreement will not be denied them because of the execution of this Agreement unless the parties, through collective bargaining, mutually agree to change or have specifically waived any of these privileges.

ARTICLE 33

SAVINGS CLAUSE

Section 1. If any provision of this Agreement is subsequently declared by the proper legislative or judicial authority to be unlawful, unenforceable, or not in accordance with applicable statutes or ordinances, all other provisions of this Agreement shall remain in full force and effect for the duration of this Agreement.

Section 2. Should any Article, Section or portion thereof, of this Agreement be held unlawful and unenforceable by any court of competent jurisdiction, such decision of the court shall apply only to the specific Article, Section, or portion thereof directly specified in the decision; upon the issuance of such a decision, the parties agree to negotiate a substitute for the invalidated Article, Section, or portion thereof.

ARTICLE 34

UNION BARGAINING COMMITTEE

Section 1. The Union bargaining committee will include not more than five (5) employees of the County. It may also include two (2) non-employee representatives of AFSCME Local 2468, AFL-CIO. The Union will provide Personnel with the names of its employee representatives on the bargaining committee in writing.

Section 2. There will be no discrimination against any employee because of his duties as a Union Official, Steward, or Committee Member.

Section 3. Employee members of the bargaining committee will be paid by the employer for time spent in negotiations with management, a cumulative total of fifty (50) straight time hours that they would otherwise have worked their regular schedule. None of the time spent in negotiations shall be used to compute hours worked for overtime compensation.

ARTICLE 35

INFECTIOUS DISEASE

The County, through its Health Department, will establish a list of positions in the County which are at risk for exposure to Hepatitis B. Once risk is established, the County shall, at the County's expense, offer vaccinations for Hepatitis B to those employees in the positions identified as being at risk. The County will provide the employees with educational material and, after the employee has completed the education phase, the employee may accept or reject the vaccination.

Further, the County recognizes the risk of exposure to contagious diseases of both employees and residents of Lancaster Manor. Therefore, the County will annually provide (1) mandatory tuberculosis screening to all Lancaster Manor employees, and (2) voluntary influenza vaccinations for all Lancaster Manor employees. It shall be the responsibility of the County to develop, implement and manage this program.

ARTICLE 36

BUS PASS

The County will pay one half (1/2) the monthly cost of the StarTran Passport bus fare for interested employees who have signed up for such program. The employee will pay the other half (1/2).

ARTICLE 37

LICENSES AND CREDENTIALS

In the event that an employee is required to maintain a license or other credential pursuant to the qualification requirements in their job description, each Department Head shall maintain a record of the status of the license or credential, and the dates for required renewals. The status of an employee's license or credential shall also be reviewed with the employee during the employee's annual evaluation.

ARTICLE 38

SHIFT BID - YOUTH SERVICES CENTER (ONLY)

Section 1. All shifts and days off held by Juvenile Detention Officers will be open for bid on a semi-annual basis. Schedules that are bid will take effect beginning the first pay period in April and October of each year. This process will exclude the position (shift/days off) of Transport assignments.

The department reserves the right to assign or re-assign shift positions.

Section 2. The Department and jail standards require a minimum of two (2) male Juvenile Detention Officers and two (2) female Juvenile Detention Officers per shift per day.

Therefore, staff will be distributed in such a manner that at least two (2) male Juvenile Detention Officers and two (2) female Juvenile Detention Officers are scheduled on the official shift schedule each day of the week.

Section 3. Juvenile Detention Officers will be allowed to select shifts and days off. Shift bids will be based on seniority. The Department reserves the right to insure the necessary experience and skills are on each shift. Persons that are affected by an involuntary shift change shall be exempt from an involuntary shift change on the next semi-annual bid. In such situations, the department will require the involuntary shift change to be made by the next least senior Juvenile Detention Officer(s) from the shift that has adequate coverage so that it will not create further shift transfers to fill the required shift.

Section 4. The schedule will be posted on the board two weeks prior to the bid process. Each Officer will have a date and time that they must call in and make their selection for shift and days off. They must make their selection at that time. The bid process will be in order of seniority, starting with the most senior officer, to select their shift and days off from the remaining openings.

Any Officer who does not call in at their prescribed time will be placed at the end of the process for their selection. If they fail to call in at all by the end of the bid process as posted, then a selection will be made for them by the department.

Section 5. During the period between bid processes, if a vacancy occurs, management will determine how the shift and days off are filled at its discretion.

Section 6. The County may implement the 207(k) exemption set forth in the Fair Labor Standards Act, 29 U.S.C. section 207(k) and 29 C.F.R. part 533 as follows: The Department may create a maximum of six (6) shifts of 12 hour duration. The employees who bid for those shifts and days off would be paid overtime on a fourteen (14) day, eighty (80) hour basis. Participation in a 12 hour shift shall be voluntary. In the event that an employee shall not have any bid slot available other than 12 hour shift, the department shall convert available 12 hour shifts to 8 hour or 10 hour shifts and an employee shall be permitted to bid either an eight (8) or ten (10) hour shift. All holiday, vacation hours and other accrued benefits are treated the same as all 8 hour shifts. These changes to hours of work are exceptions to Article 21 section 4 of this agreement.

ARTICLE 39
